1 Bridge Street Alnwick Northumberland NE66 1QY

Located within the historic town of Alnwick in Northumberland, this stone end-terraced house has an attractive façade with modern sash windows, and rooms with high ceilings and stripped wood doors. The main living space downstairs consists of a reception room to the front with a wood burning stove, and a dining kitchen at the rear. The characterful long entrance hall has an exposed stone wall and leads down to a small utility and the ground floor bathroom. Upstairs on the first floor there are three bedrooms, and a staircase from the first floor landing leads up to the attic space which has stripped wood floors and Velux windows. This area of Alnwick is popular with both owner occupiers and holiday let investors due to the characterful period stone terraces and the close proximity to the town centre. A local Co-op is nearby, as well as walking distance to Swansfield Primary School and bus services on West Parade.
