The Business

Our clients started trading in May 2022 taking over from an already successful business On the Corner, since then they have built upon the excellent reputation with many longstanding and repeat customers.

The business has an all-day breakfast/brunch and Sunday dinner menu, speciality tea's and coffees, milkshakes, smoothies and spirits, beers and wines. Whilst the current owners have established a very successful business, they recognise that there is room for further growth. The existing hours could be extended to create an additional early morning breakfast and early evening menu, increasing profits.

The café is finished to an excellent standard with a modern sophisticated feel. The unit consists customer service area with open plan dining with 30 internal covers, fully equipped kitchen and w/c facilities. The business also has the huge benefit of a covered patio area with an additional 40 covers.
